

**IN THE SPECIFICATION**

Please replace paragraph [0017] with the following amended paragraph:

**[0017]** Similarly, below the bottom core structural layer 210 may be a first bottom layer of conductive traces 218, a structural layer 220, and a second bottom layer of conductive traces 222. Like the top layers of conductive traces 212, 216, the bottom layers of conductive traces 218, **[[220]] 222** may provide power or ground, or may allow electronic devices to communicate. The structural layer 220 separates the first and second bottom layers of conductive traces 218, **[[220]] 222**, and insulates the traces 218, **[[220]] 222** from each other.
